Description: Information will be collected from AmeriCorps alumni through an online survey that will be administered by a contractor on behalf of CNCS. The purpose of the survey is to support CNCS in documenting the long-term civic participation and career pathways of AmeriCorps alumni and to help the agency determine whether or not national service members continue to be civically engaged or choose service-oriented careers. In addition, the agency is interested in exploring whether or not AmeriCorps

members are as, or more, likely than those who participate in other types of service to maintain a sense of civic duty and pursue service-oriented careers. This is a new information collection request. Information will be collected from a nationally representative sample of AmeriCorps alumni who served in AmeriCorps NCCC, AmeriCorps VISTA, and AmeriCorps State and National programs and completed their most recent term of service 2, 5, or 10 years ago.
